Messages from Jesus to Father Łukasz (Poland)

Premise: *Jesus gives Father Luke messages to pass on to others, but sometimes Jesus' words must be left only to Father Luke. The time we live in is a difficult time for faith, which is why Jesus sends priests, his faithful sons, who, listening to his voice, keep and consider everything in their hearts, following the path that Jesus shows them.*

- *May 26, 2023 - The deceptive changes taking place in the Church…*

Today I saw the Lord Jesus dressed in a long white tunic, with long hair and a beard on his face. Jesus' face was sad. Jesus' eyes were filled with tears. Then the Lord Jesus looked me straight in the eyes and said: "…My dear son. My heart grieves as the enemy destroys My Church with deceptive changes. The current synodal path will lead to a decrease in the Holy Sacrifice of the Mass and a great split in My Church. The asceticism that was the strength of My Church has been removed. The penitential forms that saved souls from sin and the fall were prohibited. The celebration of the pre-conciliar liturgy (Latin Mass) has been restricted and completely prohibited in various dioceses around the world. Holy Communion presented in the hand and standing pierces my heart. My Body was handed over to unconsecrated hands. Many prayers that were hope for My faithful have been thrown away. More and more often My priests coldly approach the Sacrament of Penance and Reconciliation, thus discouraging My faithful from using the gift of Mercy. Through all these changes, My faithful are leaving My Church, as all this

leads to relaxation and separation from Me. Today, My Son, I ask you to SAVE My Church. I want you to become the source and beginning of the renewal of My Church, practicing asceticism and penance in union with My faithful who want to be faithful to Me and tradition, rejecting everything that could destroy the Sacrum. This path will result in your rejection by the Pastors, but it must be done for the greater glory of Heaven and the salvation of souls..." since all this leads to relaxation and separation from Me. Today, My Son, I ask you to SAVE My Church. I want you to become the source and beginning of the renewal of My Church, practicing asceticism and penance in union with My faithful who want to be faithful to Me and tradition, rejecting everything that could destroy the Sacrum. This path will result in your rejection by the Pastors, but it must be done for the greater glory of Heaven and the salvation of souls..."

- *19 May 2023 - Diseases in the world…*

Dear my son, so many new diseases appear in the world. How many people are suffering physically and spiritually. Physical suffering floods the world. People suffer every day in hospitals, hospices and nursing homes. Families seek help in the modern world, using unconventional medicine. They look for help everywhere, forgetting that I am the Lord of life and death. Today I ask you, my son, to tell my faithful to gather as many as possible for prayer meetings, during which I want to heal from all the diseases that medicine cannot deal with. At a time when there is so much pain and suffering, I want to show My goodness through the miraculous healings of my faithful as a testimony of my presence among you. I promise that no one will leave prayer meetings without grace. Each participant will receive a grace each time that will not distance them from Me, but will unite them even more with Me..."

- *7 April 2023. Good Friday - Sacrileges to the Eucharist…*

"…My dear son, They scourged Me, They crucified Me and My dearest children continue to do so. They crucify Me, they flagellate Me and they give My Body to be trampled upon. In many temples My Body is trampled on because the priests do not use the communion paten. In many temples, the priests give my body into the hands of the

faithful, which is then profaned... Pray for faith so that My priests believe that I am truly present in the Holy Eucharist in every fragment and in every particle..."

- *March 31, 2023 - Priests neglect suffering souls…*

"…My son, all the suffering souls you saw (in purgatory) remained without the sacraments. My priests, during such a great trial (the pandemic lockdown), left the sick and dying without the sacraments, without confession and without the Holy Sacrifice. The souls left in grave sins (the Lord Jesus cried a lot), many wanted to be reconciled with Me in the Sacrament of Confession, but for My priests it was more important to observe the provisions of the State Law than to fight for the salvation of souls. My son, I ask you to pray as often as possible with my faithful for all those souls who suffer because of My priests, to whom I have given such great power on earth to forgive sins, and who have not used this power and souls without the Holy Sacraments have left..."

- *March 24, 2023 - Air contamination and spread…*

"Dear my son, many people ask me why there are so many cases of various viruses, e.g. the traditional flu? All viral diseases are caused by the fact that chemicals were sprayed over Poland, intended to contaminate the air , water and all agricultural crops, and above all to weaken the human body, which in the case of less resistant people and the elderly can result in a passage from this world to eternity.Such activities are already carried out in various parts of the world. Therefore, I ask My faithful to pray fervently and adore My Sacred Body as often as possible for the conversion of those people who manage and direct these actions..."

- *February 24, 2023 - Look what they have done to My Church...*

"…My son, my son (and tears flowed from the eyes of the Lord Jesus). Look what they did to My Church (and after a while the Lord Jesus showed the Church in the dark clouds - an image symbolizing the reign of the evil spirit in the Church. And the Church as a temple from which blood flows on the earth *(symbolic image of the profanation of the Blessed Sacrament, of the presence of women in the presbytery of the altar - sacred place).* Look, My dear son, they have destroyed my entire Church (once again tears flow from the eyes of the Lord Jesus). Please, save My Church which has been so damaged and is under the influence of the evil one..."

- *February 17, 2023 – We must pray for the Church…*

Today I saw the Lord Jesus completely covered by the wounds inflicted during the flagellation. The face of the Lord Jesus was very wounded, and streams of blood flowed from these wounds… "…Offer every asceticism and suffering according to the intention of the Holy Father, of the bishops and priests and of all my faithful, asking for grace for them of faith and a profound conversion..."

- *February 10, 2023 – Poland on the brink of famine and war…*

Today, in the hour of mercy, I saw the Lord Jesus, with tears flowing from his eyes…: "My dear son, …the Polish government is not guided by the good of the Polish nation. Now decisions are being made (secretly) that will lead to famine and war. Therefore, I ask the priests to open the doors of all My sanctuaries so that the faithful can constantly worship Me and ask for conversion for the Polish government and for many sinners who live far from Me..."

- *January 13, 2023 - Jesus left alone by the priests...*

"…In many churches in Poland I feel very alone and forgotten. My priests don't have time to meet me and talk about the problems of the people I send them. They are so busy and occupied with the affairs of this world that they give up communicating with Me, placing their hope in human solutions and plans, which are drawn up according to short-sighted principles by the rulers of the State. That is why there are so many disappointments and failures in My Church, because My ways are not the ways of this world. My plans are not the plans of this world. As long as priests engage in state politics and accept payments, there will be no order in My Church. All those who continue to do so are destroyers of the Holy Church. I ask you to listen to Me and live according to My instructions..."

- *December 30, 2022 - Praying for the souls in Purgatory...*

"Dear My son, please encourage My faithful to pray as often as possible for the Souls in Purgatory, because they are souls in need of help, because they cannot do anything for themselves. Every prayer for these souls will be rewarded..."

- *December 24, 2022 – Praying for sick people…*

"…My dear Son, many people are seriously ill in their homes and in hospitals without receiving medical assistance to regain health. Many of them suffer from incurable diseases. Their families suffer when they see that they cannot alleviate the suffering of their loved ones. I ask that every prayer meeting you lead be a spiritual hospital for these people. May My faithful help the sick and suffering, people in wheelchairs, hospital beds, the blind, the deaf, the paralyzed, those suffering from various illnesses to reach the Eucharistic meetings during which I want to use you , and through the strength of My wounds that you carry on your body, to give healing from ailments that medicine cannot address. I am a Father full of love, that's why I want to show kindness to all those who are disadvantaged by fate. I bless all those for whom you pray..."

- *9 December 2022 – Giving hope to sick people…*

"…My Wounds that you bear on your body are a sign of My complete union with You […] I ask you to offer every pain you feel for the conversion of lost souls. I live in you and I use you even when you lay your hands on the sick and suffering. Remember, My

child, there is no suffering that I cannot heal. I ask you to believe it and help others to believe. Many souls, in times of suffering, stop believing in My healing power, lose hope and fall into despair. Yet I am the Father of Love and I wish good for all. This is why I chose you in these times when testimony is needed to demonstrate that I live among the people..."

- *November 18, 2022 - Two important events for the Polish nation...*

"Dear my son. [...] today I would like to inform you of important dates for the Polish nation and for the whole world. The first occurrence is the day on which the war breaks out in the Polish nation. Therefore it is the starting date of the 3 days of darkness. All these dates I ask you to keep secret until I ask you to reveal them. I ask you to guide My people to be spiritually prepared for the coming times of tribulation and war. Whoever is close to My Mother and Me will not perish, but will live eternally ..."

- *28 October 2022 - Praying for the souls in Purgatory (Bishops and Cardinals)*

"Dear My son, in the next few days you will be visited by the souls in Purgatory to ask you for support and help [...] I ask you, together with My faithful, to pray so that the souls in Purgatory are with Me in eternity. Each of these souls needs of prayer to be cleansed from the sins and weaknesses committed during life. Pray for the Bishops and Cardinals, whose souls are in purgatory and who suffer greatly..."

- *October 21, 2022 – War is near... pray for the Polish rulers...*

Son My time of hard war is near. Everyone must prepare accordingly. Once again, I would like to convey to you that the rulers of Poland are not guided by the law of human love, but only by their own interests. No one in the ruling Polish state wants to listen to me, and this will lead to great bloodshed.

- *October 14, 2022 - Fortitude in persecution...*

“My beloved son. Do not let your heart be afraid or troubled, for I live in you. Every spear aimed at you, let it bounce off the shield of St. Michael the Archangel. My enemy has begun a great battle against you and against the souls you gather near My Heart and the source of My Mercy. My enemies through the people of this world will try to intimidate you and weaken you. They will do anything to make you stop praying, which is the last hope for sick and suffering people. Therefore, I ask you not to give up and not to be afraid, because I live in you. But when you are brought to court, My son, do not worry about how or what you will say. For in that hour you will be told what to say, for it will not be you who speaks, but the Spirit of your Father who will speak through you. Keep doing what you are doing and do not be afraid of My enemy. Look what they did with Sister Faustina, Father Kolbe and other great saints. Today they act the same way with you, but the time will come when they will ask you for help too. But not as a man walking on earth, but as a saint raised to Heaven..."

- *7 October 2022 – Signs from the Sky…*

"...Dear My son, the world today needs signs that I am alive and real. My wounds left on your hands and feet are proof that I live in you, and that I am present among My faithful. I ask you to lay your hands as often as possible on the sick in need of miraculous healings. I will refuse you nothing, My son..."

- *September 30, 2022 – Fasting and penance for the authorities of Poland…*

"...Dear My son, The world needs sacrifice and prayer. I ask you to ask My faithful to undertake fasting and penance for the conversion of the leaders of the Polish Nation. The Polish nation is led by an authority who is under the influence of My enemy. Please be careful and vigilant, because under the armor of good, those who govern the Polish nation do much evil..."

- *September 23, 2022 - Times of famine and war are coming…*

" *(The Lord Jesus in the presence of Saint Padre Pio)*… Dear My son, Your path on earth is similar to that of My son Pio. In the same way you are persecuted and condemned by the Church hierarchies. But don't worry and don't be afraid, because I am close to you. Every (member of) the hierarchy who rejects you, rejects Me because I live in you. Be courageous […] I promise that in the moments of the catastrophe that will explode in the world and then in Poland, none of you will be harmed. Dear My son, I ask that My faithful visit Me present in the Blessed Sacrament as often as possible. Very difficult times are coming for the world and the Polish nation. Times of famine and war. My faithful must kneel before Me and confess their sins, for many will perish and lose their lives..."

- *September 16, 2022 - My priests are in crisis…*

"My dear son, in the face of such great chaos in Poland and the world, keep your distance from the affairs of this world. Let your heart not be burdened by problems and worries, but completely united with Me […] Your daily tasks include celebrating the Eucharist in silence, adoring Me in the Blessed Sacrament, and praying for the sick and suffering and for the whole Church. My priests are in crisis, so the Holy Sacrifice is celebrated hastily and without concentration. Many priests do not believe in My Real Presence in the Holy Eucharist, which hurts Me greatly. I suffer when priests approach My Body without reverence and respect. Very often they meet in various meetings and discussions considering what to do to keep My faithful in the Church; and they only need one thing: start celebrating the Holy Liturgy with respect, love and without haste. Dear My Son, I ask you to pray sincerely for Fatima, because in this place My Body is desecrated (given into the hand). I ask you to visit this place and celebrate the Holy Eucharist there with great respect and reverence..."

- *September 9, 2022 - I bless all those who sincerely give alms…*

"Dear My son [...] Let My faithful ask you in large numbers for the Holy Eucharist and the blessing with the laying on of hands, because you are My beloved son and I will not refuse you anything. I bless all those for whom you pray and all those who sincerely give alms and tithes. Jesus."

- *September 2, 2022 – The last word belongs to Me…*

"My dear son, in the face of so many diseases that have developed in Poland and around the world, I ask you to meet as often as possible in prayer with those who need healing. For many of them, medicine can do nothing else. The last word belongs to Me. And I am the Father for whom nothing is impossible. This is why I want My faithful to know that I am working through You using your hands, which are particularly marked and are an extension of My hands. I ask may all the sick and suffering, on crutches and in wheelchairs, the blind and the deaf, come closer to You, so that You may lay Your hands on them, from which My Power (healing) will spread upon them. Whoever your hand is placed on and comes to you in faith will be healed in My Name..."

- *August 12, 2022 – Receiving the Lord in the Eucharist…*

"Dear My son, [...] encourage My faithful to frequent meetings with Me during which all of Heaven is open to lead them out of illness and slavery and to give them life in health and freedom..."

- *August 5, 2022 - My true Church is going underground…*

"Dear My son, My true Church is going underground and a true and profound faith will be maintained there. Many of My faithful are still mistaken in supporting the priests who have joined the ranks of My Church out of a desire to gain pastoral (episcopal) power and rule over the faithful..."

Father Łukasz: *Lord Jesus, then how can the faithful of the Catholic Church recognize priests with a vocation? And who isn't with a vocation?*

Jesus: The priest's encounter with Me in the Eucharist must be preceded by preparation and interior reflection. Then the celebration of the liturgy should proceed with full concentration, without haste and freedom of time. Therefore, after the liturgy, the priest should bend his knees and continue to give thanks..."

- *July 22, 2022 - My Church... has been disfigured by the pastors who govern it...*

"Dear My son, a great mission to save My souls is before you [...] Remember that the enemy works deceitfully and uses even those who lead My Church. There are many hierarchs and superiors who have been admitted into the structures of My Church with the intention of destroying it from within. Many of them aim to lead My Church to

perdition by distorting My Teachings and deviating from Tradition. [...] None of the ecclesiastical hierarchs, being inspired by the Spirit of God, would allow My Body to be given in the palm of the hand, so I fall to the ground many times and am trampled by the people of the Church. None of them would allow the temples to be closed in a time of great confusion and chaos. So all those who make such decisions are under the influence of My enemy. Today My Church needs rebirth and reconstruction, because it has been disfigured by the pastors who govern it. I want to invite you to rebuild the Church, My son..."

- *July 15, 2022 - The pastors of the Church intend to change the words of the consecration...*

The faithful will be looking for priests in large numbers to participate in an important Holy Mass, in which will be the Real Presence of My Body and My Blood, so do not refuse service to My souls and be a good shepherd for them. Do not be afraid to convey this message to the world, because what is hidden in the walls of the eternal city (the Vatican) has the right to see the light of day. I am the Father of Truth and Love. A Father who takes care of his sheep. because what is hidden in the walls of the eternal city (the Vatican) has the right to see the light of day. I am the Father of Truth and Love. A Father who takes care of his sheep. because what is hidden in the walls of the eternal city (the Vatican) has the right to see the light of day. I am the Father of Truth and Love. A Father who takes care of his sheep.

- *1 July 2022 - Great poverty and hunger await Poland... The situation in My Church is dramatic...*

Many of them accepted a life of comfort and luxury, and in palaces, under the guise of the Sacrament of the Priesthood. Please do not follow these children, but pray ardently for their conversion. Support the priests who have been rejected by the Church hierarchs for preaching the truth and radical behavior and also for fervent prayer in the Holy Spirit. And these priests are truly My children. They follow the same path that I took. The cross, rejection, ridicule and exclusion are inscribed in the life of My true and authentic priests. Listen to these children of Mine, you will never be wrong with them, because they will always lead you to Me and My Mother. - *June 24, 2022 - I want to work miracles and heal…*

"…Once again, I would like to emphasize that My faithful need faith-filled prayers and My presence. Prayers full of the power of the Holy Spirit. My son, I ask you not to be afraid and to start praying in places that can welcome all those who need and thirst for healing. Look how the hospitals are overflowing with sick people. How many of My faithful would not have to be there if they participated in the prayers guided by You. I want to work miracles and give healing, but most of My priests are afraid to use this beautiful gift. I therefore ask that the sick, the suffering, the tired or those struggling with various problems, participate in the prayer meetings led by you. Your faith is so great that I cannot deny you anything. I bless all your prayer meetings. I bless all those for whom you pray and who sincerely give alms and tithes. Jesus."

- *June 17, 2022 - I must warn of what awaits Poland and the world…*

"…Dear My son, today the world rejects My Heart by living as if I did not exist. There are believers who do not want to hear My Messages through you. And it hurts my heart. They live in error because they think that My words are only full of sweetness and without warnings. But I, as a Father, must warn of what awaits Poland and the world if it does not come to its senses and continues to live in such a great sin. My Heart aches when I see how many godly men and women pretend to be close to Me and break up and destroy their families from within. They are not souls that come from Me, but from My enemy who, using them, does everything to destroy families. And so it happens that brother delivers brother to death, and father his son, and the children rise up against their parents and cause them to die. Therefore, My son, take care that no one deceives you. For many come in My name and say: I am. And many will try to deceive you. Because false prophets arise who selectively follow My teaching. But they also do not come to Me. I ask you, My son, remain faithfully with Me and teach my faithful as I ask you. Let no one be afraid, because the road on which I lead you and all those who are next to you, is the road that leads straight to Heaven. Be an apostle of love and adore My Heart often with My faithful. I bless all those for whom you pray and all those who sincerely give tithes and alms. Jesus," But they also do not come to Me. I ask you, My son, remain faithfully with Me and teach my faithful as I ask you. Let no one be afraid, because the road on which I lead you and all those who are next to you, is the road that leads straight to Heaven. Be an apostle of love and adore My Heart often with My faithful. I bless all those for whom you pray and all those who sincerely give tithes and alms. Jesus," But they also do not come to Me. Heaven. Be an apostle of love and adore My Heart often with My faithful. I bless all those for whom you pray and all those who sincerely give tithes and alms. Jesus,"

- *June 3, 2022 - Jesus reveals the future of Poland…*

"…Dear My son, the Polish nation is facing a very difficult time. There will be times of famine and great poverty. The rulers of the Polish state are doing everything to starve Polish society over time. The wave of migrants has already flooded Poland, and Polish citizens will lose their jobs, leaving them without a means of subsistence. Basic foods will become very expensive, to the point that a Polish citizen will not be able to afford them. Many will go bankrupt, losing everything. People will starve in the streets. There will be a lot of aggression, anger and violence. Humanity will destroy and kill each other. My enemy will destroy family hearths with even greater force, leading them to quarrels and discord. Homes will remain without electricity and gas. There will be dark days when you will have to stay indoors and not go out. A new plague will break out in the world, which will aim to affect everyone to control everyone. My beloved, the time that Poland and the whole world is going through is full of moments of great confusion and chaos. You must be aware that only faithful reliance on Me and My Mother will protect you from all the turmoil that is spreading very rapidly..."

- *May 27, 2022 - Please do not stop asking bishops and priests not to give My Body in their hand…*

"…My dear son […] many do not listen to Me, causing me great pain. Look, My son, what My Body is like. He gets whipped all the time. Every time bishops and priests give My Body into the hands of the faithful, I am scourged: scourged in the same way as it was done on the way to the Cross. Many bishops and priests celebrate the Holy Mass not believing in My Presence. They do everything hastily and without faith. Therefore, My child, if they reject Me, they will reject you too. Let My wounds that you carry on your body be a sign that you are completely united with Me. Please do not stop asking bishops and priests not to give My Body in their hand. Ask the faithful to stop receiving me this way. Invite frequent prayer for the conversion of those who do not want to stop hurting My Body, stop receiving me this way. Call with strength, because I am your help in all this..."

- *May 20, 2022 – Our Jesus to Father Łukasz the hell where there are many bishops and consecrated souls…*

"…Today I want you to see the place where the souls who do not want to be with Me in eternity go."

At that moment, Jesus showed me hell, where souls full of pain and suffering screamed in a terrifying way. All these souls had their hands raised, but no one could touch them. After a while Jesus said:

"Among these souls there are many bishops and souls consecrated to me. Many bishops and priests have treated the priesthood professionally and officially and have destroyed My Church through wrong decisions [...] My son, today I have introduced you to the place of hell so that you can understand how intelligent My enemy is . In the place of hell there are bishops and priests who, among other things, have already given permission to give My Body in the palm of the hand. This is still practiced today, so I ask you, in My Name, to ask bishops and priests to stop doing this. It is unacceptable for My Children to desecrate My Body. It is a great pain for Me when they do this. And My enemy is doing everything to destroy My Church. Intelligently, under the guise of a pandemic, he distanced people from the Church, he banned the use of holy water, he banned the use of the Sacraments. And destroys My chosen children who have not succumbed to evil princes. My Church must be a place of refuge, therefore all those who have kept the law of the State in the Church, have served the devil himself. [...] There will be only a few priests in Poland who will faithfully follow My instructions. You will be among these priests. And it is on you that I will want to rebuild the true destroyed Church, which will be a spark for the world. The faithful who are with you will not perish. But they will have to choose for themselves not to be deceived by My enemy who has crept into My Church and is destroying it with those in power, because they themselves are under his power.

- *6 May 2022 - Vision of many bishops and priests in Purgatory...*

"...My dear son, bishops and superiors should be the first to set a good example in My Church. [...] It is no secret My son that bishops and religious superiors have gone astray and have begun to live sumptuously and far from My faithful. Their life is not like Mine and many of them should analyze their lives and convert sincerely and leave the life of gold and palaces and start preaching Me, without calculations and material means. This is why today, My son, I have given you the opportunity to see the souls of the bishops and superiors in Purgatory, so that you invoke the conversion of the bishops and superiors who live on wealth and opulence. My Church is in crisis because many decisions are not made according to My Will. Many holy priests are cast aside and mistreated, and important positions are held by those who destroy what is beautiful and noble from within. Today we need priests who rebuild what has been destroyed and courageously oppose all those who sow evil and scandal in the Church and destroy My Church from within..."

- *April 29, 2022 - Whoever receives My Body in his hand commits a grave sin...*

"...My dear son, I see how you suffer when My chosen children abuse My body, which they give to the faithful. This is a great pain for Me, so please pray for the conversion of the priests, and I ask the faithful not to accept My Body on their hand, because only consecrated hands can touch My Body. Whoever receives My Body in his hand commits

a grave sin. My son, I ask you to care for and protect My faithful in all this time of turmoil within the Church [...] Now is the time to choose and clearly define yourself. [...] The path that these priests (who give Communion in the hand) are taking leads to damnation. Therefore, please, do not follow these priests, but pray for them. My faithful will choose My children, who remain with Me for their vocation and love, and who are rejected and mistreated. These are My true priests. The path they travel leads to salvation because it is full of faith and love towards Me and My Mother. These priests treat My Body with respect, celebrate the Eucharist without haste and administer the Sacraments. And these priests must be followed..."

- *April 22, 2022 - Prayer meetings for healing...*

"...My son, today the world is marked by illness and suffering, therefore every request you entrust to me - and it is in accordance with My Will - I listen to. Today I ask you to courageously begin to lead prayer meetings during which I will bend over the sick, giving them special graces of health. These meetings will be a spiritual hospital, a hospital for the relief of suffering. During prayer meetings, please lay your hands on the sick as often as possible, for your hands are an extension of Mine, through which extraordinary signs of healing and liberation occur. My dear son, let as many of My faithful as possible participate in the prayer meetings, because I am the Father who wants to relieve and heal in this particular moment.

- *April 15, 2022 - Good Friday - Consecrated souls mistreat the Body and Blood of Jesus...*

I saw Jesus scourged with wounds. The Face of Jesus was completely cut, from which blood flowed. Then Jesus, in all his torment, said: "My son, I suffer more when the souls consecrated to Me mistreat My Body and My Blood. Every time consecrated hands insult Me, I am scourged and crucified. This is why I want to take refuge in your hands every time you make a sacrifice, because these hands treat Me with respect. Today I want to confess to you, My son, that if the souls consecrated to Me treated Me as you do, My Flesh would not be so wounded and crucified. Please be a witness to those whose celebration of My Sacrifice has become commonplace and who do not believe that I am truly Present in it. I bless all those you pray for. Jesus."

- *April 8, 2022 - Today the leaders of the Church are immersed in darkness...*

"...My dear son. I shed many tears when I see the direction My Church is heading. I suffer to see a serious crisis in My Church. How far the current Church is from My original assumptions. My priests are deaf to My cry. Today the leaders of the Church are immersed in darkness and when important decisions are made they do not invoke the Holy Spirit. Despite everything, they are heading towards the abyss. It is therefore time for those who lead My Church to free themselves from the desire to be in power and to rule. It is time for the Tabernacles to be brought back to the center in My temples and

for all the seats to be moved. Every house of Mine in which I live is built to meet Me and My Mother. It's time, that My bishops and priests free themselves from all the socio-political ties that are so harmful to My Church from within [...] My dear son, today I need radical priests, full of courage so that, despite the misunderstanding and rejection, may they always remain with Me, not accepting compromises and concessions. I bless all those you pray for. Jesus."

- *March 18, 2022 - The land of Poland to destruction through war...*

"...My dear son, My enemy is very cunning and wants to attack the land of Poland and lead it to destruction through war. The time has come for you, together with My faithful, to pray for the rulers of Poland and the nations, because they are making many decisions that destroy Poland and are not in accordance with My Will. I ask that all the faithful and My children (priests) adore My Heart present in the Blessed Sacrament as often as possible. Poland currently needs priests of deep faith and prayer. Priests who do not focus on what is political and official, but on prayer and who live the Holy Mass with faith..."

- *March 11, 2022 - In every house an image of the Mother of God should be displayed in the window...*

Father Łukasz: *"...This is why I ask you today, let us faithfully fulfill what the Lord asks of us and not remain indifferent to the words he gives us. May exorcised water and salt be available in every home. These are sacramentals that protect our soul and body from harm. I also ask that an image of the Mother of God be displayed in the window in every home. A mother who takes great care of her children and who intercedes for each of us. We entrust ourselves and our loved ones to our beloved Mother, so that she protects our homes and the entire country.*"

- *March 4, 2022 (important message) - Exorcised water and salt must be present in every home...*

"...My dear son [...] wars and fights are the result of the fact that the leaders of the nations do not want to listen to me. Many times I asked with the strength of the Spirit of Wisdom to make other decisions, but no one listened to me. The enemy who does so much harm is under the influence of My enemy, therefore today there is terrible bloodshed. To you, My son, I entrust to your care the Polish nation, which is already in crisis, and which still faces hard times of great physical and spiritual suffering. Please say exorcised water and salt should be present in every home, these are sacramentals, which will protect homes from My enemy. I ask you, My son, to meet My faithful as often as possible in Holy Mass and in prayer. Stand faithfully together, caring for one another. I promise that all those who are faithfully with you, next to Me, will suffer no tribulations and I will protect them in the most difficult days. My dear son, be faithful to

the end and do everything I ask of you; support My children of Ukraine, they all need your help…"

- *February 25, 2022 – The House of Love will become a refuge…*

"…My dear son. Now there is a great battle waged by My enemy and a war is underway that will leave many wounded, physically and spiritually lost. I call you, My son, to be the mediator between earth and Heaven. There is not much time, so I ask all My faithful to help you in building the House of Love, which will become a refuge for those who feel lost and for those who suffer physically. The faithful from all over the world and from Ukraine, from a place where there is war, will come to you to gather strength and regain health. It is I who use you and through you I heal and set you free. The time has come when I ask you in a special way to use this gift and faithfully fulfill what I ask of you. I bless all those you pray for.

- *February 18, 2022 - All wars and discord come from the spirit of darkness…*

"…My dear son, today I ask you again, pray for peace in the world. All wars and discord come from the spirit of darkness, which wants destruction for My faithful souls. Please encourage My priests so that My faithful can worship Me in every temple. He lets all the temples be open so that anyone who wishes to meet me can do so. I ask not to be locked in temples before My faithful, but to be given the opportunity to meet Me. In this time of great uncertainty and disputes between states and divisions within the Church, I wish to give support and care to all those who are afraid and lost. It is enough to come before the throne of My grace, that is, before the Tabernacle in the temple where I live, for there to be peace in everyone's heart. I am a Father full of goodness and love and I will never reject anyone, but I will listen and console, always giving good advice to solve the problem. I ask you that the messages be translated and reach other countries..."

- *January 28, 2022 - Continue to pray and fast for peace in the world…*

"...My dear son, tell my people to continue to pray and fast for world peace. I invite you to attend the Adoration of My Living Body and to frequent devotions and penitential pilgrimages. Now there is a great struggle between good and evil. My enemy is deceiving many souls by masquerading as a prevailing virus. Fight for My people and ask them to protect their bodies and souls from the negative influence of the evil spirit..."

- *January 14, 2022 - Those who will listen faithfully…*

Speak to them often about Me and adore with them My Living Body, Present in the Blessed Sacrament. Jesus."

- *December 31, 2021 - I ask you to protect My Body and My Blood…*

“…My dear son, look at how much evil is pouring into My Church. I suffer so much seeing how many souls take me in their hand. I ask you to protect My Body and My Blood. Many bishops and priests do not want to hear My Appeal. They do not notice My suffering, My Bleeding Heart, when My Sacred Body is placed in their hands. I ask you, My son, to ask that this practice cease. Don't be afraid of any rejection, because it is inscribed in your vocation. Rejection, contempt, ridicule must take place in your life, because when I call someone to a new path of grace, I always test them. […] Always remain close to Me and My Mother..."

- *December 24, 2021 (receiving the stigmata) The priests are destroying the Church…*

“…Son, today I want to ask you to accept all suffering for the Church. Many of My children (priests) hurt My Heart because they do not live My Word. These priests are lukewarm and leave My Church of Christ following their human invention. Many of them have caused you great pain, wounding you with human judgments, flagellating you with words and condemning you as Pilate did with Me. Many of them have deceived many souls who, following their voice, follow the path of perdition. These priests are destroying My Church because they are making changes that I did not ask for; they did not ask for the help of the Holy Spirit. Please be faithful to Tradition and accept all pain and suffering for the conversion of My priests..."

- *December 3, 2021 - Lay your hands on those who need healing…*

“My dear son, your goal and that of everyone on earth is Heaven. You are following a path full of crosses and suffering, which means that you are very united with Me. Because how can the path of a disciple be different from that of his Master? Please don't be afraid of any human rejection and judgement. I have been rejected and judged and they will do the same to you, My child. But do not let your heart be troubled, for My Grace is enough for you. Remain faithful to Me. Often adore My heart, which awaits you in the Blessed Sacrament. Please have a special love for the sick and suffering. Lay your hands on those who need healing, which are an extension of Mine, and through this, the sick and suffering will regain their health. Jesus
